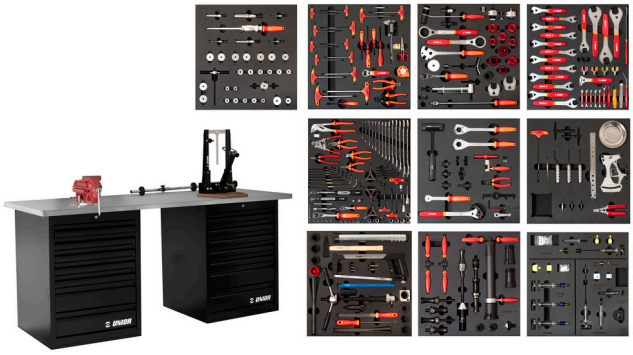
Master Workbench

2600C



产品属性

- Complete Tool Selection: The Master Workbench includes a comprehensive selection of all available bike tools from Unior, including the latest tools not previously available in any set. It is the ultimate dream for professional bike mechanics and serious enthusiasts.
- Industrial-grade Construction: Built from high-quality materials, the workbench is designed to withstand heavy-duty use, ensuring long-lasting performance. The robust steel frame and stainless steel bench top provide a durable and resilient workspace.
- Integrated Storage Solutions: Featuring two integrated Unior 990WD7 BLACK Tool Cabinets], each with seven wide drawers, providing extensive storage space for tools and equipment, keeping your workspace organized and clutter-free.
- Ergonomic Design: Engineered for optimal ergonomic positioning, the workbench provides a comfortable working height, reducing strain and enhancing productivity during prolonged tasks.
- Versatile Applications: Ideal for various types of bike repairs, from road bikes and mountain bikes to e-bikes, kids' bikes, and cargo bikes. The workbench is designed to meet the diverse needs of professional mechanics and demanding enthusiasts.
- Professional Appearance: The sleek and modern design not only enhances functionality but also adds a sophisticated touch to your workshop or garage.

Dimensions and Specifications:

- Total Size: Length 2m, Height 91cm, Depth 75cm

- Weight Capacity: 1000kg
- Workbench Code: 629831

Unior 990WD7 BLACK Tool Chest Features:

- Heavy-duty Construction: Made from high-quality Premium PLUS steel, the tool cabinet offers exceptional durability and stability.
- Seven Wide Drawers: Each cabinet provides ample storage (total volume 214L) space for tools of various sizes, ensuring that everything you need is within easy reach.
- Smooth Operation: Equipped with ball-bearing slides, the drawers open and close smoothly, even when fully loaded.
- Drawer Capacity: Each drawer can hold up to 50kg.
- Secure Storage: Central locking system ensures that your tools are safe and secure when not in use.
- Stylish Design: Finished in sleek black, the tool cabinet adds a professional and modern look to your workspace.

Unior 990TW-SST chipboard Bench Top with Stainless Steel Cover Features:

- Superior Strength and Durability: The inox stainless steel cover provides a robust shield against everyday wear and tear, ensuring that your bench top remains in top condition.
- Inox stainless steel cover: Specially engineered to withstand corrosive elements and rust, extending the life of your bench top and maintaining its pristine appearance.
- Heat Resistance: Withstanding temperatures up to 100°C, this cover is perfect for handling high-temperature tasks without damage.
- Long-term Reliability: Designed for durability, this bench top ensures you enjoy a consistently beautiful and functional work surface day after day.
- Worktop dimensions: Length 2m, Depth 75cm
