Home kit 2.0

1600HOMEKIT

Product features

Compact tool case with smart tool selection and enough additional space for personalization. Basickit is a perfect beginner set that you will upgrade with the selection of tools for your specific needs and build a dream set for your home workshop.38 carefully selected high-quality Unior tools are enough for much more than just basic maintenance on just about any bike. Foam trays with cutouts will keep tools organized, while the dust and waterproof case will make sure tools will be always securely stored.Including additional blank foam tray gives room for tool case personalization, it can be cut to include some of your favorite tools or removed for extra storage space.
