Maschinen-Steckschlüssel für Schlagschrauber 1/2 Zoll, lange Ausführung

231/4L6p

Profile

Produkteigenschaften

- Material: Premium Flex Chrom-Vanadium-Stahl
- geschmiedet, gehärtet und vergütet
- Oberfläche: phosphatiert nach Standard ISO 9717
- gefertigt laut Standard ISO 2725-2

Vorteile:

- Long design provides easy access to deep-set fasteners.
- 6-point profile ensures optimal torque transfer while reducing the risk of rounding fasteners.
- Phosphate finish offers enhanced wear and corrosion resistance.
- Manufactured in accordance with ISO 2725-2 for dependable professional performance.

Verwendung:

- Automotive and commercial vehicle maintenance.
- Use with pneumatic and cordless impact wrenches.
- Tightening and loosening fasteners on long threaded studs.
- Professional workshops, industrial maintenance, and repair operations
