1018A

Profils

Description produit

It is made for the most demanding high voltage work. The set is safely stored in a folder with handles, and larger pieces can be stored either in the side pouches or inside of a large ultra durable wheeled bag. The sturdy bag handle provides all the mobility you need.

QUALITY AND RELIABILITY

- Unior Tools is renowned for its commitment to quality craftsmanship. The VDE Tools Premium set is no exception. Each tool in this set is meticulously crafted using premium materials to ensure durability and longevity.

SAFETY FIRST

- When it comes to electrical work, safety is paramount. That's why the 1018A-628819 set is VDE certified, indicating compliance with strict safety standards. Each tool features insulated handles and is tested to withstand up to 1000V, giving you peace of mind while working on live circuits.

COMPREHENSIVE SET

- The 1018A-628819 set includes an array of essential tools tailored for electrical professionals. From screwdrivers to pliers, wire strippers to voltage testers, this set equips you with everything you need to tackle any electrical task with confidence.

ERGONOMIC DESIGN

- Unior Tools understands the importance of comfort and ease of use. The VDE Tools Premium set features ergonomically designed handles, providing a secure grip and reducing fatigue during extended periods of work. This thoughtful design ensures maximum efficiency and precision.

VERSATILITY

- Whether you're an electrician, engineer, or DIY enthusiast, this set caters to all levels of expertise. With a wide range of tools, it covers various applications, from residential wiring to industrial installations, making it a valuable addition to any toolkit.

CONVENIENT STORAGE

- The set comes in a sturdy and organized carrying case, allowing for easy transportation and storage. Each tool has its designated slot, ensuring quick access and minimizing the risk of loss or damage.
