Product features

Unior's Professional Tool Wrap is big enough to fit all of the tools and bits that a more mechanically skillful cyclist will want to have at hand. Professional mechanics will love the size and organization of it, so don't be surprised when you see these in the team cars on the next Grand Tour or in the feed zone of the mountain bike or CX world cups. This version includes following tools:

- Long ball end hexagon wrench, sizes 1.5, 2, 2.5, 3, 4, 5, 6, 8 mm
- TX profile wrench, size T25
- Crank cap tool
- Chain tool
- Round spoke wrench
- Set of two tire levers

- Crosstip screwdriver PH0
- Pro Socket Handle
- Chain wear indicator
- Cassette wrench and Cassette lockring tool
- 2-For-1 disc brake tool

Roll features:

- Aluminum eyelets for setting the wrap on the car seat, with fixation under the head rest
- Strong Velcro® straps for secure closing
- Side pockets with full flaps closing for parts or additional tools
- Additional elastic straps for even more tools
- Made from coated PU material, waterproof and oil resistant
- You can fit mini pump in there as well
