Web page

The uniortools.com website is the first source of information on the range of our Unior hand tools.

As website is divided into several subgroups, we have prepared a virtual guide, with which you will be able to follow and walk through the Unior website to get acquainted with the functionalities of the website.

The website is regularly updated, supplemented and improved. New functionalities are being added, so it is possible that some of them will not be presented in the video, or will be slightly changed today.

There is always some request from you to improve our Unior website, so please send your questions and suggestions to marketingro@unior.com.
