dostupne lekcije će Vam biti dostupne

segments provide our company with a balanced portfolio of different activities.

We created this E-learning portal for you to use for free and with a purpose of informing and helping you to distribute fresh and exact information to your customers.

Upon signing an agreement we will assign you to a class, where you have to solve and achieve a valid certificates for a assigned group, which will help you promote our products and services. All assigned classes are marked with gray icon, which means certificate wasn't solved yet. Classes with gray icon have to be correctly solved, to be able to continue selling our products. Solved classes get green icon and time limited PDF certificate for that group. We are constantly creating new classes, which will become available in your E-learning account.

Thank you for being our business partner with whom we can grow and constantly seek new opportunities on the market. This is why it was our pleasure to prepare educational and strategical content, that will give you better support when addressing your customers. Hopefully you will enjoy absorbing new knowledge we have prepared for you.

Sve lekcije sadrže informacije na početku.  
Kada pregledate sve predviđene informacije u okviru lekcije, bićete u mogućnosti da rešite upitnik koji sledi u potpunosti

### Web page

The uniortools.com website is the first source of information on the range of our Uniior hand tools.

As website is divided into several subgroups, we have prepared a virtual guide, with which you will be able to follow and walk through the Uniior website to get acquainted with the functionalities of the website.

The website is regularly updated, supplemented and improved. New functionalities are being added, so it is possible that some of them will not be presented in the video, or will be slightly changed today.

There is always some request from you to improve our Uniior website, so please send your questions and suggestions to [marketingro@uniior.com](mailto:marketingro@uniior.com).

## E-Learning

Welcome to Unior E-learning portal

The company ranks among world's major representatives of metal-processing industry, where it develops its success with excellent synergies and three production segments (Hand tools, Forging and Sinter parts and Special machines). All of this segments provide our company with a balanced portfolio of different activities.

We created this E-learning portal for you to use for free and with a purpose of informing and helping you to distribute fresh and exact information to your customers.

Upon signing an agreement we will assign you to a class, where you have to solve and achieve a valid certificates for a assigned group, which will help you promote our products and services.
