

Tech Corner Bench with narrow cabinet and back panel

990TBC

NOWOŚĆ

Cechy produktu

Featuring integrated narrow cabinet with 2 drawers and door, providing extensive storage space for tools and equipment, keeping your workspace organized and clutter-free. Engineered for optimal ergonomic positioning, the workbench provides a comfortable working height, reducing strain and enhancing productivity during prolonged tasks. Ideal for various types of bike repairs, from road bikes and mountain bikes to e-bikes, kids' bikes, and cargo bikes. The workbench is designed to meet the diverse needs of

professional mechanics and demanding enthusiasts. The sleek and modern design not only enhances functionality but also adds a sophisticated touch to your workshop or garage.

- Thick, high-quality beech plywood top provides a durable and resilient workspace.
- Integrated 990NDD2 narrow cabinet with 2 drawers and door.
- Perforated Back Panel, covering the entire width of the corner workbench. It can be used with accessories such as hooks and tool holders (not included) to extend storage space.
- Parapet channel for charging accessories, bike components, electric tools or personal electronics.

Unior 990NDD2 BLACK Tool Chest Features:

- **Heavy-duty Construction:** Made from high-quality Premium PLUS steel, the tool cabinet offers exceptional durability and stability.
- Two narrow drawers with dimensions L 374 x W 570 x H 70 mm and 30 litres volume.
- Lockable metal door with shelf for additional storage.
- **Smooth Operation:** Equipped with ball-bearing slides, the drawers open and close smoothly, even when fully loaded.
- **Drawer Capacity:** Each drawer can hold up to 50kg.
- **Secure Storage:** Central locking system ensures that your tools are safe and secure when not in use.
- **Stylish Design:** Finished in sleek black, the tool cabinet adds a professional and modern look to your workspace.

Unior 990BP Back panel with light and parapet channel
