NIEUW

Product attributen

Profikit is a big brother to our popular Unikit, designed and tested by the professional mechanics for the professional mechanics. Thoroughly thought-out layout with extremely durable tool pockets and SOS foam trays for practical and secure organization of your tools. Pockets are sized on the dimensions of our tools, while the foam cutouts are a perfect match for them. Personalization of the case is possible with additional pockets and modular storage space in the bottom part of the case. Tool case also features wheels and retractable handle for easy transportation and is also perfect for air travel. We picked 102 pieces of our tools for this portable set that will suit your needs – no matter if you`re a mobile shop or demanding homemechanic.

- The toolbox is designed especially for Unior hand tools; it's made of heavy duty plastic and is waterproof and dustproof.
- Flaps in the lid can be closed tightly with the Velcro straps; when closed, they also secure the tools in place. Open flaps and inner part of the lid are equipped with 44 individual pockets to carry your tools. The biggest pockets can take our T-handle hexes up to size 10, and a special small pockets can securely hold L-shaped hex down to size 1.5 or similar small tools, so nothing ever gets lost.
- Two side tool trays with cut out SOS foam, dimensions 280 mm × 250 mm, will keep your tools in place. When not in use the trays are stored in the case, when working the trays can be fixed on the side of the case, enabling you to have all of the tools always at hand and more space on the table for other items. Side trays are built with metal chassis for stability and strength.
- Two SOS foam tray for tools storage (dimensions 385 mm × 280 mm) at the bottom of the case.

Set bevat
