940BASE1-RED | NEW

제품 특징

- Made of high-quality Premium Plus galvanized zinc sheet steel from 0.6 - 1.0 mm
- Housing painted with environmentally friendly eco-paint according to the strict Qualicoat quality standard.
- Robust design allows for a static load (without wheels) of up to 800 kg and a dynamic load of up to 240 kg.

Drawer system

- 7 fully extendable drawers with high-quality ball bearings for smooth running.
- Combination of different drawer depths for optimal organization:
- 6 x drawers (L560xW400xH70mm)
- 1 x drawer (L560xW400xH150mm)

Industrially zinc galvanized drawers

- The drawers are made of high-quality galvanized zinc steel sheet without an additional layer of paint, ensuring a robust industrial look and high resistance to corrosion.

Safety and mobility

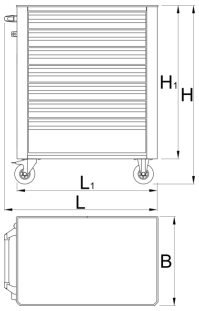

- Central locking with padlock
- CARRIAGE COMES WITHOUT PADLOCK!
- Highly durable oil and acid-resistant wheels (diameter 100 mm).
- One wheel is equipped with a brake that blocks both rotation and turning of the wheel for complete stability.
- The maximum load capacity of each drawer is 25 kg.

Usability and dimensions

- Basic dimensions with handle and wheels: 760 x 440 x 895 mm.
- Total volume of drawers is 130 liters.
- Designed with the end consumer in mind (DIY and demanding home craftsmen), while allowing the use of a wide range of Unior accessories.
- Compatible with 1/3, 2/3, 3/3 tool trays

Why Galvanized Drawers?

- **Resistant Even to Scratches**
- The galvanized surface protects the metal even during everyday use, impacts, and contact with oils.
- **Ideal for Demanding Environments**
- Workshops, laundries, foundries, chemical plants – where paint can quickly fail, galvanized drawers endure.
- **Greater Mechanical Durability**
- The zinc layer is tough and does not chip. Paint can peel off upon impact and start to rust.
- **Excellent Chemical Resistance**
- Resistant to oils, grease, fuels, cleaners, and many solvents.
- **Improved Fire Safety**
- No additional smoke or toxic gases generated from burning painted surfaces.
- **100% Recyclable**
- Galvanized sheet metal allows easy recycling without removing coatings.
- **Galvanized Drawers Are Rare**
- A special premium solution for professional use and long service life.
