

# Pinza a becchi tondi lunghi isolata

476/1VDEBI

## Profili

## Standard

DIN EN IEC 60900 (VDE 0682-201):2019-04; EN IEC 60900:2018

## Attributi del prodotto

- materiale: acciaio al carbonio plus premium
- interamente bonificato
- teste lucidate
- finitura superficiale: cromata ISO 1456:2009
- robusta impugnatura bicomponente
- conforme allo standard ISO 5745 e EN IEC 60900

## Vantaggi:

- lunghi becchi consentono di raggiungere fili in luoghi di difficile accesso
- minore possibilità di danneggiare i fili

## Utilizzo (pictures)

## Frequently asked questions

### **Are certified insulated tools made through a different procedure than non-certified insulated tools?**

The tools are made according to the same procedure.

### **Are insulated (VDE) tools considered as personal protective equipment (PPE)?**

According to EU regulations, VDE tools are not considered as PPE.

### **Is it possible to work with insulated pliers under electrical voltage?**

Yes, but only by professionals who follow safety requirements and use additional personal protective equipment.

### **Are the VDE tools only being sampled in series production?**

The high voltage test (at 10kV) is performed fully on each tool. Other tests are performed in accordance with the EN60900 standard.
