

# Alicate cortacables eléctricos aislado

580/1VDEBI

## Perfiles

## Normas

DIN EN IEC 60900 (VDE 0682-201):2019-04; EN IEC 60900:2018

## Características del producto

- Material: composición especial para temple y endurecimiento
- totalmente templado y revenido
- filos templados por inducción
- cabezas pulidas
- acabado: cromado
- mangos en doble componente para trabajos duros
- fabricado completamente de acuerdo con EN IEC 60900

## Importante!

- para cortar cables sin componente de acero

## Preguntas frecuentes

### **Are certified insulated tools made through a different procedure than non-certified insulated tools?**

The tools are made according to the same procedure.

### **Are insulated (VDE) tools considered as personal protective equipment (PPE)?**

According to EU regulations, VDE tools are not considered as PPE.

### **Is it possible to work with insulated pliers under electrical voltage?**

Yes, but only by professionals who follow safety requirements and use additional personal protective equipment.

### **Are the VDE tools only being sampled in series production?**

The high voltage test (at 10kV) is performed fully on each tool. Other tests are performed in accordance with the EN60900 standard.
