964/28SOS

Profili

Attributi del prodotto

- The usability of the 964/28SOS - 621387 set is underscored by its thoughtful design and practical layout within the SOS tool tray. Each wrench is securely placed in its designated spot, allowing for easy identification and quick access during tasks. This organization minimizes the time spent searching for tools, enhancing efficiency in workshop environments. The wrenches themselves feature ergonomic form and precise machining, offering users a comfortable grip and reliable performance under demanding conditions. This product is primarily aimed at professional mechanics, automotive technicians, and hobbyists who require a dependable set of wrenches for daily use.
- Dimensioni vassoio portautensili: 564 x 364 x 30 mm
- Compatibile con cassette della linea Eurostyle, Eurovision, Euromotion, Europlus ed Hercules (cassetti frontali)

Incluso:
