

Bolt cutter

596/6B

Profiles

Product features

- material: cutter from premium plus carbon steel
- cutting edges separately induction hardened
- steel handles, lacquered, heavy duty plastic handles

Advantages:

- shock-absorbers on the joints absorb shocks on the handles, which happen when cutting reinforcing rod
- protection of the eccentric screws for adjustment of blades with forged recesses ensures 100% protection against unscrewing

Frequently asked questions

Can we eliminate the clearance between the blades of the bolt cutter?

Of course. The procedure is described in the instructions.
