

Tower pincers

531/4PR

Profiles

Product features

- material: premium plus carbon steel
- drop forged, entirely hardened and tempered
- the cutting edges are induction-hardened to 61HRc
- head surface finish: finely ground
- surface finish: phosphated to standard ISO 9717
- handles plastic dipped
- made according to standard ISO 9242

Advantages:

- the precise form of the joint enables the automatic opening of the pincers in a horizontal position, so the force is applied only during cutting of the wires

Usage:

- useful for the binding and cutting of wires
