

Puller with two sliding arms

681/2

Profiles

Product features

- material: body from premium flex plus carbon steel, arm from premium chrome vanadium steel
- drop forged, entirely hardened and tempered
- surface finish: trivalent chrome plated according to ISO 1456:2009, screw blackened

Advantages:

- by reversing the arms, the puller can be used as internal or external puller
- sturdy design for very heavy duty work
