Puller with two sliding arms

681/2

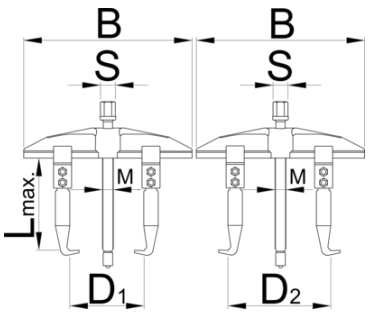

프로파일

제품 특징

- material: body from premium flex plus carbon steel, arm from premium chrome vanadium steel
- drop forged, entirely hardened and tempered
- surface finish: trivalent chrome plated according to ISO 1456:2009, screw blackened

장점:

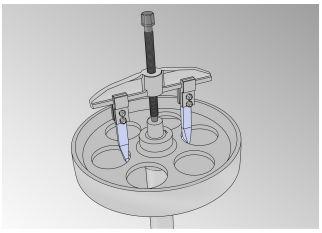

- by reversing the arms, the puller can be used as internal or external puller
- sturdy design for very heavy duty work
