

Offset single sided cone wrench

1618/2DP

Usage

Product attributes

- material: premium flex plus carbon steel
- surface finish: chrome plated according to ISO 1456:2009
- double plastic dipped handles
- The design of the offset cone wrench enables working in difficult hard to reach places. This unique design is suitable for assembly and disassembly of nuts on Sun Tour headsets. It is intended to be used together with the single sided cone wrench, product no. 1617/2DP. The new design enables higher torque with reduced force.
