

Torque multiplier

280

Profielen

Product attributen

- 5:1 torque multiplication, accuracy guaranteed better than +/-4%
- supplied with two reaction bar styles for maximum versatility
- Robust construction means minimal maintenance and long life
- Supplied in a carrying case. Ideal for inclusion in the heavy vehicle tool kit

Voordelen:

- Exactly defined multiplication – no need of tabular conversions
- Simple use does not require any additional knowledge

Gebruik:

- building construction
- agricultural equipment
- heavy industry
- larger construction machinery

- shipbuilding industry
- aircraft industry
- train compositions
- refineries

Belangrijk!

- The use of Unior IMPACT sockets is recommended.
- We shall never exceed the requested torque starting point of the multiplier.

							D	A	C	H
