Spare parts

Set of spare parts for 190.1/1ABI and 190.1/1FBI

Frequently asked questions

I wanted to loosen the wheels on the car using a ratchet, and now it isn't working. Perhaps the mechanism broke down? Did I use the right ratchet?

The ratchet article 190.1/1LG is intended for unscrewing car wheel bolts. Other ratchets in Unior's range are not designed to unscrew car wheel bolts.
