Chain rivet pliers

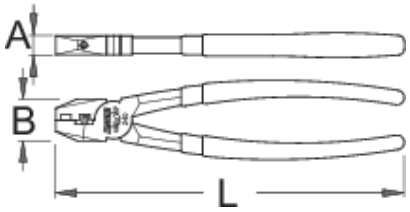

1640/1DP-US

Profiles

Product features

- material: premium flex plus carbon steel
- drop forged, entirely hardened and tempered
- surface finish: trivalent chrome plated according to ISO 1456:2009
- pin induction hardened
- double plastic dipped handles
- The chain rivet pliers have been developed to enable both professional and home mechanics to work quickly and safely on bicycle chains. Higher functionality and practicality are the advantages of the chain rivet pliers and with this unique design less physical effort is required to extract the rivet from the chain. Jobs will be performed quickly and comfortably without damage to the rivet or chain plate. The ergonomic design enables single handed use.
- Pliers are not compatible with chains with roller width 1/8″ (3.3mm).
