## Atributi proizvoda

Workbenches are an essential element in both professional and home workshops. Unior's modular workbenches are durable, stable, and practical, featuring a robust work surface and perforated backs. Module A3 is a basic model with the option to upgrade by adding various modular elements to the perforated back panel or mounting them under the worktop. Two adjustable legs allow the workbench height to be set between 730 mm and 1150 mm, ensuring perfect adaptability to the user.
