Description produit

Unior Perforated Back panel with light and parapet channel

- Perforated Back Panel is made from premium PLUS sheet metal and coated with the eco color of Qualicoat quality standard, ensuring both durability and a sleek appearance. Spanning the entire width of the 2m workbench, this versatile back panel can be used with accessories such as hooks, tool holders and overhead cabinet to get the most out of additional storage space. This back panel includes integrated LED lighting for optimal workspace illumination and a convenient parapet channel for charging accessories, bike components, electric tools, or personal electronics.
- matière : tôle Premium Plus
- Eco color of Qualicoat quality standard
- basic dimensions of perforated back L 2000 x H 1155mm
- The shelf with holders extends over half of the workbench and is securely mounted to the columns. It can be adjusted to various heights and positioned at two angles: perpendicular to the perforated back or at a 12-degree incline. The shelf has a load capacity of 50 kg.

- The bin holder, 1 meter wide, provides storage space for storage bins with rear mounting, covering half the width of the workbench.
- LED lighting with a lifetime of 25000 hours and color temperature of 4000K
- Parapet channel compatible with OBO STD-D0 Modul 45 plugs
