

Pro Socket Handle

190.8/2BI-US

Profiles

Product features

- material: premium flex chrome vanadium steel
- body drop forged
- entirely hardened and tempered
- surface finish: trivalent chrome plated to standard ISO 1456:2009
- ergonomic heavy duty double component handle
- Pro Socket Handle is not just another tool from our general tool program. It has been developed purposefully for our bike program. It is light, compact, extremely durable and features double component ergonomic handle. Designed to work with our cassette lock ring tools, flat sockets for suspension service and many more.
