Product features

- We took the tools from our Professional Mechanic Work Bench and adopted the SOS inserts to fit drawers of our trolleys. Selection of tools is now available in seven individual trays made of high quality foam (from model 1600SOS13 to model 1600SOS19), where each tool has its own place. Foam trays fit our Europlus, Eurovision, Eurostyle and Hercules trolleys.
- To better suit your needs each foam tray with tools is available separately.
