

# Service trolley

940T

### **Profiles**

#### Product features

- Ergonomic, lightweight and easily moved service trolley
- This industrial-quality service trolley is ideal for use in garages, engineering workshops and warehouses.
- It allows the user to easily transport tools and components around the working area, and keep them easily at hand while working on a task.
- This trolley encourages and organized, pre-planned approach to tasks, and improves efficiency, productivity and comfort.
- The water-resistant top shelf allows easy access to tools and parts at a comfortable working height,
  while the lower shelf provides additional storage.
- The shelves are engineered for a maximum load of 100kg each, and are protected with an impactresistant, anti-slip mat.

Made in Europe to the highest standards, and backed by Unior's lifetime warranty.

#### Includes:

- 4 casters 2 fixed and 2 swivelling. One easily-braked caster.
- Two water-resistant shelves, upper complete with impact-absorbing, anti-slip mat
