Profiles

Product features

Workbenches are an essential element in both professional and home workshops. Unior’s modular workbenches are durable, stable, and practical, featuring a robust work surface and perforated backs. Module A15 is a basic 2-meter workbench model with the option to upgrade by adding a perforated back panel or mounting elements under the worktop. Two adjustable legs allow the workbench height to be set between 730 mm and 1150 mm, ensuring perfect adaptability to the user.
