

# Pro road repair stand, with plate

1693RP

## Προφίλ

---

## Χαρακτηριστικά προϊόντος

- Pro Road Repair Stand with plate is a sophisticated product, developed in cooperation with some of the best World Tour mechanics.
- The stand has a fork mount system and is specially designed to work on bikes, where standard clamping-system is not suitable to use.
- Stand is built from strong aluminum and steel parts and is suitable for workshop use, due to its steel plate, which offers great stability
- The upper assembly is angle adjustable, while the complete stand is adjustable by height.
- The stand is suitable for work on mountain bikes as well.

- The stand can be also upgraded to support bicycles with through axles, with additional through axle adaptor – article number 1693R.2.
