Product features

Unior's Tool roll is a great solution for a cyclist who wants to be ready for everything or a modern bikepacker, it will come handy even to a more demanding user such as XC or CX mechanics. The bag is compact, light,

and easy to store in your backpack or your car.

Features:

- Aluminum eyelets for setting the wrap on the car seat, with fixation under the head rest
- Strong Velcro® straps for secure closing
- Side pockets with full flaps closing for parts or additional tools
- Additional elastic straps for even more tools
- Made from coated PU material, waterproof and oil resistant
- You can fit mini pump in there as well
- Tools are not included
