

Master link clip pliers for motorcycle chain

3202/1P

Profiles

Product features

- The pliers enable assembly and disassembly of the connecting link clip on the motorcycle's chain.
- material: premium plus carbon steel
- drop forged, entirely hardened and tempered
- cutting edges induction hardened
- head polished
- surface finish: chrome plated to standard ISO 1456:2009
- handles plastic dipped

Advantages:

- Specially designed groove enables easy positioning and prevents the pliers from slipping off the chain's pin.
- The jaw is shortened for easier assembly or disassembly of the clip.
