제품 특징

- MX Pro Kit tool case is real world designed and tested by the professional`s on the toughest off-road trails around the world.
- Well thought out, extremely durable tool pallets organize and hold your tools in place. Pockets are designed with the size of our tools in mind. It also features extra space on the bottom leaving you room to personalize your kit.
- After designing the tool case for Pro Kit, we sat down with team mechanics and carefully selected a set of tools that demanding MX mechanic will appreciate. We picked 107 pieces of our tools that are a perfect fit for a portable set, shop or home.
- The set contains a wide range of tools for servicing MX motorcycles in the field.

- The toolbox is designed especially use in the field; it’s made of heavy duty plastic and is waterproof and dustproof.
- Flaps in the lid can be closed tightly with the Velcro straps; when closed, they also secure the tools in place. The biggest pockets can take our combinations and socket T-handle wrenches. A special small pockets can securely hold the screwdriversand other tools, so nothing ever gets lost.
