Chain whip, multispeed

1660/2DP-US

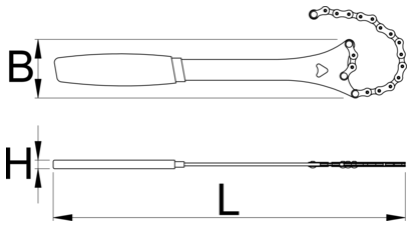

Profile

Caracteristicile produsului

Thanks to its ergonomic shape and long double dipped handle for leverage, this chain whip will disassemble cassettes with ease and without slippage. Made from laser cut tool steel and heat treated for strength and lasting performance. The tool is designed to work with multi-speed cassettes from 6– to 12–speed, including SRAM X-range cassettes.

- Material: Otel Carbon de scule calit si revenit
- acoperire cromare in conformitate cu ISO 1456:2009
- Manere din doua straturi de plastic
- Magnet holds chain in place and makes the storage easier
