

# Master tool kit

1600MASTERKIT-US

## Atributi proizvoda

- Pro Tool Tool Kit je dizajniran posebno za biciklističke alate; Izrađena je od jake i izdržljive plastike i otporna je na vodu i prašinu.
- Flaps in the lid can be closed tightly with the Velcro straps; when closed, they also secure the tools in place. Open flaps and inner part of the lid are equipped with 44 individual pockets to carry your tools. The biggest pockets can take our T-handle hexes up to size 10, and a special small pockets can securely hold L-shaped hex down to size 1.5 or similar small tools, so nothing ever gets lost.
- Two side tool trays with cut out SOS foam, dimensions 280 mm × 250 mm, will keep your tools in place. When not in use the trays are stored in the case, when working the trays can be fixed on the side of the case, enabling you to have all of the tools always at hand and more space on the table for other items. Side trays are built with metal chassis for stability and strength.
- Additional SOS foam tray for tools storage (dimensions 385 mm × 280 mm) at the bottom of the case.
- Small parts organizer with three compartments and modular parts to build up to 21 compartments
- Additional space for spare parts and/or lubes.

## Prednosti:

- Fully equipped tool case with 94 pieces of carefully selected high-quality Unior tools
- Wheels and retractable handle with safety latch for easy transportation
- Džepovi su ušiveni s izdržljivom najlonskom niti
