Usage

Product features

Tablet holder mounts to the Unior's electric repair stand column and provides optimal placement for tablet. The setup will make work more comfortable and productive as the tablet will be right where you need it and you'll not have to turn around to the workbench to access it. Holder features protective rubber on the surface to prevent tablet from scratching and adjustable arm to accommodate tablets with width from 210 mm to 340 mm. Holder mounts under 67 degrees angle for easier swiping and better view.
