

Ξύλινη πλάκα εργασίας με κάλυμμα από ανοξείδωτο ατσάλι

990TW-SST

Προφίλ

Χαρακτηριστικά προϊόντος

- Elevate Your Works pace with Unmatched Durability and Style
- Protect your valuable investment with our chipboard bench top, now enhanced with a sleek inox stainless steel cover – an unbeatable combination of style and strength. Engineered to resist corrosion, rust, and temperatures up to 100°C, this bench top is designed for long-term use, ensuring that your workspace remains as beautiful and functional as the day you set it up.
- Superior Strength and Durability: The inox stainless steel cover provides a robust shield against everyday wear and tear, ensuring that your bench top remains in top condition.
- Corrosion and Rust Resistance: Specially engineered to withstand corrosive elements and rust, extending the life of your bench top and maintaining its pristine appearance.
- Heat Resistance: Withstanding temperatures up to 100°C, this cover is perfect for handling high-temperature tasks without damage.
- Non-Porous Surface: Prevents dirt and oil stains from penetrating the material, making it easy to clean and maintain, keeping your workspace hygienic and professional.
- Long-term Reliability: Designed for durability, this bench top ensures you enjoy a consistently beautiful and functional work surface day after day.
- Invest in the longevity and aesthetics of your workshop with the Unior Bench Top and Inox Stainless Steel Cover (Article 990TW-SST). Ensure your investment lasts and looks stunning for years to come. Get yours today!
