

Глух ключ с Т-образна дръжка

196N

Параметри на продукта

- material: Premium Plus carbon steel (T-handle), Premium Flex chrome vanadium steel (socket wrench)
- surface finish: T-handle - zinc plated according to ISO 2081:2018 (E), socket wrench - chrome plated according to ISO 1456:2009
- The socket wrench is forged, entirely hardened and tempered.
- The color code of the wrench dimension is located on the T-handle.
- The wrench is also characterized by its low weight and excellent working balance. The length of T-wrench ensures accessibility to places that cannot be reached with conventional wrenches. The color-

coded dimension marking ensures easy and quick identification and selection of the right dimension for your job.
