

Т-образен ключ с квадрат

196Q

Параметри на продукта

- материал: специална инструментална стомана
- surface finish: zinc plated according to ISO 2081:2018 (E)
- 1/4" drive induction hardened
- The color code of the dimension is located on the T-handle
- The fixed T-handle provides a good grip for easier and faster work. And the 200 mm handle length allows to achieve tightening/loosening torques with minimum force on the T-handle.
- The wrench is also characterized by its low weight and excellent working balance. The T-handle of the wrench ensures accessibility to places that cannot be reached with conventional wrenches. The color-coded dimension marking ensures easy and quick identification.
