Full tent moto with accessories

1870C-MOTO

Product features

- For comprehensive and sophisticated promotions a Unior hand tools or moto tools tent is the perfect choice for you. In addition to its easy set-up and its usability, it will also make your promotional site truly representative of the Unior brand.
- The package comes with an easy-to-erect 3x3 meter tent with the rear side fully full, while the left and right sides of the tent are half-open. In addition to the latter, the package also includes a beach flag for better visibility of your promotional site and a table with a mat.
