

# Contents

<b>Introduction</b> .....	9
<b>Understanding Bicycle Mechanics</b> .....	12
<b>Anatomy of a Road Bike</b> .....	14
<b>Anatomy of a Mountain Bike</b> .....	16
Mountain Bike.....	18
Fat Bike.....	20
Road Bike: Competition, Endurance.....	21
Touring Bike.....	22
Hybrid.....	23
Cyclocross and Gravel Bike.....	24
City Bike.....	25

## Gear-Shifting Systems

<b>Component Function, Compatibility and Market Trends</b> .....	26
<b>Electronic Drivetrain Systems</b> .....	30

### REAR DERAILLEUR

Component Function.....	32
Rear Derailleur Parts.....	33

### FRONT DERAILLEUR

Component Function.....	36
Front Derailleur Parts.....	37

### TECHNICAL INFORMATION

Mount types for the front derailleur.....	40
Three mechanisms.....	42
Three types of pull.....	43
Compatibility.....	44

### SPROCKETS, CASSETTE, AND FREEWHEEL

Component Function.....	46
Cassette and Freewheel Parts.....	49
Shimano and Campagnolo Cassettes.....	50

<b>CHAIN</b>	
Component Function and Technical Information.....	51
Campagnolo Chains .....	53
SRAM Chains.....	53
Shimano Chains.....	54
<b>SHIFTERS</b>	
Component Function.....	56
Shifter Parts.....	58
Road Bike Models .....	58
Mountain and Hybrid Models.....	59
Various Shifters with Cable Outlets.....	60
Flat Handlebar Models.....	60
Road and Drop Handlebar Models.....	64
<b>GEAR AND BRAKE CABLES AND HOUSINGS</b>	
Component Function.....	66
Identifying Cables and Housings.....	67
Objectives, Tools and Materials .....	70
<b>SHIMANO DRIVETRAINS</b>	
Rear Derailleur Installation.....	73
Front Derailleur Installation.....	75
Shifter Installation.....	80
Gear Cables and Housings Installation .....	82
Installing Sprockets on the Hub .....	91
Shimano Chain Installation.....	94
Measuring Chain Length .....	97
Shimano Chain Riveting.....	102
Rear Derailleur Adjustment.....	105
Front Derailleur Adjustment.....	116
Finishing Touches.....	124
<b>DI2 WIRE INSTALLATION</b>	
Di2 Wire Installation.....	127
H- and L-screw Adjustment and Di2 Rear Derailleur Synchronization .....	133

### **CAMPAGNOLO DRIVETRAIN SYSTEM**

Rear Derailleur Installation.....	140
Front Derailleur Installation.....	141
Shifter Installation.....	143
Mechanical Drivetrain Cables and Housings Installation.....	144
Installing Sprockets on the Hub .....	147
Campagnolo Chain Installation.....	149
Campagnolo Mechanical Rear Derailleur Adjustment.....	155
Campagnolo Mechanical Front Derailleur Adjustment.....	163
Finishing Touches.....	168

### **EPS ELECTRONIC DRIVETRAIN WIRE INSTALLATION**

Derailleur Adjustment.....	172
----------------------------	-----

### **SRAM ROAD DRIVETRAIN SYSTEM**

Front Derailleur Installation.....	179
Shifter Installation.....	180
Cables and Housings Installation.....	181
Installing SRAM Sprockets on the Hub .....	185
SRAM Chain Installation .....	186
Rear Derailleur Adjustment.....	190
Front Derailleur Adjustment.....	195

### **ETAP BLIPS INSTALLATION**

Battery Installation .....	202
Synchronizing Shifters with their Derailleurs .....	204
Shifter Synchronization .....	204
eTap Rear Derailleur Adjustment .....	206
eTap Front Derailleur Adjustment .....	211

### **MAINTENANCE AND REPAIRS**

Chain wear.....	213
Evaluating Chain Wear.....	214
Straightening a Rear Derailleur Hanger.....	229

## Brake Systems

<b>Component Function, Compatibility and Market Trends</b> .....	233
<b>Objectives, Tools and Materials</b> .....	236
<b>SIDE-PULL BRAKE SYSTEM</b>	
Brake Cables and Housings Installation .....	241
Complete Brake Adjustment .....	247
<b>LINEAR-PULL BRAKE SYSTEM</b>	
Brake Cables and Housings Installation .....	257
Brake Shoe Description .....	262
Complete Brake Adjustment .....	263
<b>CANTILEVER BRAKE SYSTEM</b>	
Complete Brake Adjustment .....	270
Brake Cable Installation .....	270
<b>DISC BRAKE SYSTEM</b>	
Disc Installation .....	279
Hydraulic Disc Brake Adjustment .....	282
Mechanical Disc Brake Adjustment .....	286
<b>MAINTENANCE AND REPAIRS</b>	
Changing Brake Pads .....	290
Side-pull, Linear-pull, and Direct-mount Cartridge Brakes .....	291
Campagnolo Side-pull Brakes .....	293
Replacing the Brake Pads .....	296
Hydraulic Disc Brakes .....	299
Mechanical Disc Brakes .....	305
<b>CHARTS</b>	
Front and Rear Derailleur Problems .....	308
Brake Problems .....	310
100 Causes of Gear Shifting Problems .....	311
Gear Ratio .....	314
<b>GLOSSARY</b> .....	316
